

## ASHDALE

The Ashdale's 7Kw output makes it suitable for medium to large sized rooms. Traditional in style yet equipped with the latest stove technology, The Ashdale is highly controllable allowing you to get the most efficient burn rate from your fuel. A powerful airwash ensures a clear view of the flames during operation. Available in traditional matt black paint or a choice of luxurious enamels - buttermilk, gloss black and majolica brown.

DEFRA approval allows wood to be burned in smoke controlled zones and with the ability to burn smokeless fuels making the Ashdale a practical option to heat your home whether in the town or country.

## 10 Year Warranty

This 10 year warranty covers all stove castings, it does not include consumable items such as glass and door seals. This full warranty is only honoured when the stove is purchased from one of our recommended retailers. If a stove from any of our brands is purchased from a non recommended dealer only a 12 month warranty will be honoured. Full details on this policy can be found on our warranty page above and full warranty details can be provided by our recommended dealers.
