

Dovre Sense 200 Cast Iron Stoves

Featuring a cast iron, ultra-slim body, the Dovre Sense 200 wood burning stove will add instant impact and contemporary style to many homes. Incorporating subtle curving details, this Dovre Sense 200 is a compact yet powerful stove. With a heat output of up to 7kW, you can enjoy superb views of the beautiful rolling flames thanks to Dovre's state-of-the-art **Cleanburn** and **Airwash** systems.

The beautiful box mounted 200 is capable of providing an 79.5% efficiency and can burn up to 33cm length logs.

The Sense 200 also has a selection of four stunning colour finishes to choose from: Matt Black, Gloss Black enamel, Pure White enamel and Grey enamel finishes.
