

Brunel 2CB Wood Burning Stoves & Multi-fuel Stoves

The Stovax Brunel 2CB wood burning and multi-fuel stove brings you extra heating efficiency and economy with the use of Stovax's Cleanburn System. In fact, this neat little stove incorporates all the state-of-the-art features you would expect from Stovax's advanced designs. For example, the stainless steel baffle warms up more quickly than cast iron so it starts working more rapidly, setting new standards in performance.
