

Brunel 3CB Wood Burning Stoves & Multi-fuel Stoves

The largest stove in the Stovax Brunel range, the 3CB has an extensive window through which you can take pleasure from the swirling flames of the Stovax Cleanburn System. Again, this wood burning stove incorporates all of Stovax's state-of-the-art technical features such as the stainless steel baffle. Furthermore, with full multi-fuel capability and external riddling, the Brunel 3CB stove generates up to 7kW of heat for you to enjoy.
