Riva Vision Midi Wood Burning Stoves & Multi-fuel Stoves

Featuring the same clean, geometric form and reflective detailing, the Stovax Riva™ Vision Midi stove offers an impressive heat output of up to 6.5kW.

Available in wood burning or multi-fuel models, the Riva™ Vision Midi stove offers many optional extras including the external air kit allowing air to be drawn from the outside, minimising drafts in your room as well as a gloss black flue pipe to really personalise your stove.

The addition of a Riva™ Bench can really extend your individual styling options.
