

Stockton 11 Wood Burning Stoves & Multi-fuel Stoves

With an impressive 11kW heat output, this is the largest wood burning and multi-fuel stove in Stovax's Stockton range and is particularly suitable for sizeable living rooms, substantial inglenooks and open-plan barn conversions. The choice of flat top, low or high canopy, single or double door versions and four colour options, will provide you with the perfect combination for your home. The Stockton 11 is available as a dedicated woodburner which can be easily adapted to multi-fuel use with the optional riddling grate kit.
