

Stockton 3 Wood Burning Stoves & Multi-fuel Stoves

The mini stove of the Stovax Stockton range is specifically designed to fit neatly into a standard 22”(560mm) high x 16”(405mm) wide British fireplace opening with the chairbrick removed. It has full multi-fuel capability which means that it is able to burn both logs and smokeless fuels. The compact dimensions of this wood burning and multi-fuel stove make it equally suitable for houseboats, summerhouses and garden workshops.
