

Stockton 5 Wood Burning Stoves & Multi-fuel Stoves

The Stovax Stockton 5 stove offers you a squarer landscape style compared to the portrait style of the Stockton 3 or Stockton 4, and is available as either a wood burning stove or as a multi-fuel model with external riddling. The additional width allows you to load up to 13" (330mm) in length. Both wood burning and multi-fuel versions are available with a low canopy.
