

Studio Ceramica Wave Inset Wood Burning Fires

The very latest in fire design, it is hard not to warm to the outstanding modern appeal of the Studio Ceramica Wave inset wood burning fire. Specially designed for contemporary living, this stunning frame is available in a choice of three finishes for the Studio 1, 2 and 2 Duplex.

Whether you opt for the dramatic all Graphite frame, the minimalist Oyster White frame or the contrasting Graphite and Oyster White frame, the Studio Ceramica Wave will create an impressive focal feature – even when the fire is off.
